I don't know if you experience something. Text a different. I have experience specialist for ear, licking Germany and I can, since it's from like 5, it's countries used to have the serious faces and sometimes people like from I want to kill somebody, and I have to go to a lot of times when people like us, No, that's my usual face. Tornado. Easter. Greetings, for example. So when we when someone is coming by and when I go to my friends and they like, why you doing, Come around with my friend. and I'm just so confused, because I just came to Germany. It took me a little time to explain. That knows you don't disgust me. I just don't use to Country Club, Wisconsin. Definite, very famous. Say OK, Google. so, I always I like to say there is this scared. The most noticeable way of getting in contact with others. Noticing the difference between flag of the Caramel frappe that you are giving when you're such a young person and bring me the thing that gets the most right now is bad. Implicit message. So sometimes the stylist is the answers and then this is so strange for Brazilian people. We are always. noticeable things are your coordinates about silence as even like, I like If you turn on front, that means, yes. And like silence means. Yes. Silence means you agree. 4 inches is equal to mean that you hate the person. like, for real, you're at probably doing something wrong. Ugliest and the worst person that ever planted in her life. Because I used to just noticed it. So I mean like I don't know what to say or even just like I need it. Took so long to learn at 8. And sometimes. tell you, I mean, just like That's so that's for me. That way was Yeah, I've already wrote written an email to everyone with the simplified links. Let's see, call it this way. And since the times really over for today, because the presentations and discussions were very interesting, we didn't want to sort of short and them just in order to do the methodological part, make a short video on how to make automated speech transcription and send it to you. And then it would be wonderful if you would comment on that and tell us your experience without I made a speech transcription either if you already had it or I once you did it in your group also. So that we, we can see. Maybe if you also have other tools who are the codes or other languages, how that works, for you be very interested about that, you know, about that and perhaps we can even start the next class and insured recapitulation of what we learned today. Because I think it was really Let that settle and thank you so much for your contribution. I feel like really the atmosphere and the group has become very much more interactive then like in the beginning. So it's wonderful to see that in Virtual settings that is also possible. So chatty, I will take, is there anything else we need to mention before we leave? For any questions in general, technical questions of anything came up where you tried something that didn't work. We will see how we get through with time to reticle. You will have something on transcription annotation but I will not push the methodological issues will go along with the flow and see how it ago with how much time the presentations take. I will love to listen to music. Yeah, I mean that's that's a wonderful proposition since when I was using like this today. And the normal like platforms, we're not all like signed into the German University system. There is not like the one Ventura, no one can of shoes with perhaps there's something else would you like to propose something? We have the option of doing a group. Maybe Instagram is an interesting because we have you already have all the email addresses in the participant list of Abby on the presentation groups and underneath. So maybe you could add the email address with you Instagram account, if it's not that one already. So that, or should we open a group? And everybody should just go to join pretty but maybe you could open a group and sort of It would be great, right? Adoption. About this later. And I really like the In the Channel Lakes. It in, so we

can discuss it. So it's kind of Music, every single message. I guess you can say. Call Charter Communication. We are about to do a recommendation because way of connecting people are artists, are Brazil, when I say biggest, but it's like the one that is making numbers. The great way off, like new, in Brazil. I have already claimed as a dependent. Siri, connect to the brightest thing. Maybe you can somebody from Uncle Pete and just just in case so everybody. Love you, could you send it when you send the link to the video? So everyone, Nana, I'm talking to Flavia. But I also have this, the telegram. On the videos that talk about the ex. I'm very much. So I think of that just for today, right? Iona, right lychee, have a great week, you all. Thank you so much and I'll see you next week, then. Hi. Yeah, the second cousin. Is it good friend? And he's not supposed to have a job application in, seeing as we stopped. So, that's why my Who is Don Cheto? Yeah. Understand, what is the weather in Chicago today?
