Not paying attention. I don't know. I don't know. I think I just felt like they were under estimating I feel like the one. Strawberry, like you visually? We have, we have another transcription. No, no. Hospital. He's very stalking High, were you? going to, Yeah, it's jumping up. Always. When you are driving. And when you are prescribing, you always. And then it goes wrong. Voices. And when you up from school, so you have to really pay attention to all of those shoes. You know, the saying that she is more going on? Going on. You already mentioned. I don't know. I'm trying to put myself in this position. And I feel like I would be like if the first thing that comes in. Brazilian in Germany. Going on. So something. German. And invisible. Which one is Brasilia. Probably. What special friend? She was in Rochester. So we have Parts off of it. Lifted propping up, we have him. Here is a test and just looking. We have we have seen Call sweetheart. Something between them may be there. we have raised their hands so I can Give me a question. Jordans. Play Poison you since forever. I don't know. Possibility. Yeah, but of course there are always small things involved with could not show here and there The conversation. Call Sis. What's a very interesting and good conversation between all of them and the Brazilians didn't exist. They thought it was very evident. But is this is not so different. This is also. I was just going to comment on the gesture that's G4 makes when he's like saying vision and I think it's like the worst Vision systems you know. Unlike their faces in an indirect way. Mario. Just going back to the question of what we can see here and what we can see what's up. Maybe at once. Volume up the boys for example, life. Talking to other people. And in this case is also very useful to have the acting so depressed. Three girls something in an exact moment. So by looking at the second shower, Interesting. Sometimes. Types of attempt to make this clear up for them. And if he offended by this, Flashlight. This is really important for the game. I would love to be analyzing days like the whole day of a lot of to have like, a It's a super interesting discussion but we are completely cutting the time. So I would just like to ask. Should we continue the discussion and maybe Outsource another part to a lady for the should we wrap up the discussion? So, we can't put like a muse. But just, you know, in order for this discussion not to just, you know, drown, we could also open a new telegram canal in order to continue the discussion. If you are very because I feel it's really a lot of interest in this year and we can think of. I also for you if you interested in such an analysis, this would be a perfect thing. You can do in your final video for example just as Is an idea. And in the videos will not be and I will give you will give you some tools, how to systematically analyze hand gestures, and facial gestures so that you can actually really put it into words. Basically what you see in a more systematic manner. Okay then I would like to invite the second group from today's the 22 presented, the crunch text, right? So the floor is yours and Flavia will as I already told you, I'm telling you when 25 minutes is over and then when it's only 10 minutes and five minutes before the end so that you have a good time planning. Maybe, do you need to share screen? Should we do that? I don't see the option here. Okay.
